## **Notice Regarding the Postponement of the Announcement of “Medium-Term management Plan FY2026-FY2028”**

AIPHONE CO., LTD. (the “Company”) hereby announces that it has decided to postpone the announcement of the “Medium-Term Management Plan (FY2026–FY2028),” which was originally scheduled for today, as described below.

### 1. Background of the Postponement:

The Company had planned to announce the “Medium-Term Management Plan (FY2026–FY2028)” today. However, due to factors such as rising component prices stemming from the situation in the Middle East, we are currently facing a situation where it is difficult to provide a reasonable earnings forecast.

Under these circumstances, the Company has determined that announcing the Medium-Term Management Plan at this time would make it difficult to ensure the adequate validity of the disclosed information.

Therefore, we have decided to postpone the announcement.

### 2. Future Outlook:

The Medium-Term management Plan (FY2026-FY2028) will be announced promptly as soon as a reasonable earnings forecast becomes possible.
